## CHAIRMAN MESSAGE

My Dear Professional Colleagues,

At this juncture of my professional journey, I find it extremely gratifying and blessed to take over charge as the Youngest Chairman of Ghaziabad Branch of Central India Regional Council (CIRC) of The Institute of Chartered Accountants of India (ICAI), more so in its Platinum Jubilee year. The trust and confidence reposed in me by my colleagues in the committee fills me with unparalleled joy and happiness. With pride, coupled with a sense of responsibility, I pen my first communication as Chairman.

What I firmly believe is that to do something for the CA profession is just like to serve our parents. As our parents give us the life, this profession has also given a new life to all us. And according to me there is no better worship than to continuously work for the one who or which has given us such a beautiful life.

As far as the initiatives of this year is concerned...

As we all know, Ghaziabad branch has been continuously performing at its best throughout the past years and many academic, professional, student related and social welfare events and activities are organized by the branch. It is actually the tradition of the Ghaziabad Branch to improve, enhance and innovate constantly. This year also we shall continue the benchmarks set during the past years and the trend of innovation.

There are certain new initiatives that have taken in this year, which matters a lot!!!

We had formed a Catalyst Club for members and students to develop their leadership skill, public speaking skill, communication skill. You are requested to come and experience the same. We have conducted Certificate Course on Goods and Services Tax (GST) from 1st June, 2019, in Ghaziabad. Weekends Classes, And Diploma in International Taxation Course in from 1st June, 2019. This was also Weekends Classes. After the Great success of Bank Audit Help Desk, We had Launched "GST Help Desk" from 01st May, 2019. And "Income Tax Help Desk" from 20th May, 2019 at our branch level in which, There are panel of experts who will solve your queries, issues, problems related to GST & Income Tax on call or by email. I extend my heartiest thanks to all the members of Bank Audit Help Desk, GST Help Desk & Income Tax Help Desk for their Contribution in these help desk.

**" Your only limit is you. A little progress each day adds up to big results. Always remember, Nothing 'worth-having' comes 'easy'.**

I would like to make a special mention that our dreams have come true and on 31st May 2019, our Ghaziabad branch has started its own Library for CA students in Navyug Market, Ghaziabad. This will help the students to study in a better environment and to enhance their skill & knowledge. We had conducted various seminars in past 3 months on variety of topics and appreciate everyone who had attended the same and request others to experience the brilliance of our faculties in pulling of the exceptional seminars and share their constructive ideas to make seminars more effective.

It is well said by "Conrad Hilton" that...

**" Success seems to be connected with action. Successful people keep moving, they make mistakes but they don't quit. "**

Keeping this in mind, Ghaziabad Branch of CIRC of ICAI is regularly organising various professional courses like Certificate Course on FORENSIC AUDIT, GST, INTERNATIONAL TAXATION, REGISTERED VALUER COURSE, BLOCK CHAIN TECHNOLOGY COURSE, Conducting Seminars on latest topics like DPT-3, UNION BUDGET-2019, BEN 2 (Significant Beneficial Ownership) and many more. As it was CA day on 1st July, Branch had organized many programs to celebrate the auspicious day on Different dates.

Manoj Singh, Chairman of the branch informed that final drawings & design of the proposed building has been sent by the architect after some changes told to him and as suggested by Mr. Om Prakash to shift shift to another place to maximum utilisation of the space. This final drawings & design, BOQ are also approved by the IDC. CA. Manoj Singh also suggested to issue notice for re-rendering for appointment of contractor. After detailed discussion, the drawings, design, BOQ were also approved by the members present unanimously.

CA. Anuj Goyal ji, CCM, proposed to purchase the plot no. AC-2, as it is available for auction by the GDA and for better functioning of branch, branch needed a big building. He told that after taking approval from GDA to merger this plot no. AC-2 with our existing plot no. AC-1, branch could have a big building since members & students of branch were increasing day by day and for better serving to all the members & students branch should have a big building which should consist of big Auditorium, Library and many other facilities. We are also eligible for a big building and all fund would be provided by the H.O., so we should go to purchase this plot no. AC-2.

CA. Manoj Singh, Chairman was not agreed with this proposal. He told that we should not go to purchase any plot in this area because there was parking problem. He told that construction of this plot was already delayed since a long time. He proposed to start construction of this building and to issue tender as soon as possible and He also suggested to have a big building in another place where there should not be any parking problem and location should be good & open and if ICAI H.O. permit then this newly constructed building would be used for Students Functioning since member and students are increasing day by day. For members, we could have another big building in any good location with ample parking space, with big auditorium, big Library and many other facilities.

CA. Mukesh Bansal Ji, Chairman- CIRC told 1<sup>st</sup> we should have merger letter to merger proposed plot no. AC-2 with our existing plot no. AC-1 from GDA within maximum 2-3 month to purchase proposed plot no. AC-2. If we would have merger letter from GDA then only we should consider about to purchase the proposed plot no. ### Representation to ICAI president against CAs enrolled with Urbanclap

Date: 28.09.2019

To,  
The President  
The Institute of Chartered Accountants of India  
New Delhi

**Subject : Chartered Accountants getting empanelled with Urban clap, degrading the profession to rock bottom low.**

Sir,

Amidst agitation being carried out by CA students under influence of revered faculties, another shocking instance has come to surface which has actually degraded the CA profession to as low as other daily wage jobs. Urbanclap – an app which renders services of electricians, carpenters, house-keeping, cleaning services etc. has now chartered accountants on board. They have agreed to render services 1. At the doorstep of customer 2. Lowest prices 3. Fixed Prices 4. Free consultancy and 5. Personalised CA services (Pictures attached). It is a big matter of concern for CA community that we are stooping so low that we have started comparing ourselves with skilled labour jobs and not professional assignments.

It is high time that ICAI must intervene and introspect what is happening and who is doing it. Because if this is not corrected at this moment, day is not far when CAs will be giving door to door services just like another beauty parlour. This thought not even horrifies me but also makes me unsure about my future as a practicing Chartered Accountant. Not only this while CA students agitation is heating up, most faculties have come out in open and have claimed that they don't recommend CA is a career option to anyone. They went on to say that CA must be chosen as the last resort, when a student has no other choice. I have openly protested it and has written an article few days back that CAs must value themselves first and then expect from clients. Urbanclap as a business cannot be blamed but those chartered accountants who have empanelled with them must be boycotted and their membership must be cancelled with immediate effect. I am also worried as to so called CAs empanelled with the App are actually CAs or some accountants who have ruined the markets to a large extent.

It is high time that ICAI should strengthen its code of conduct and take strict measures. More responsibility lies with the central council members who should now take up this matter before their self-interest. We need serious investigation in this regards. Because if no action is taken now, day is not far that members of the institute shall soon be on roads agitating to prevent their image from getting maligned.

Sir you are requested to take up this matter seriously with utmost priority.

CA Manoj Singh  
Chairman  
Ghaziabad Branch, ICAI
